

TERRA TRAC AT II

TERRA TRAC®

[TRACTION SERIES]

A WARRANTY BEYOND COMPARE

WARRANTY

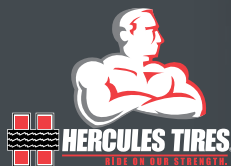

All tires in the Hercules Terra Trac Traction Series come with our industry-leading road hazard protection, offering free replacement for up to 2 years or 50% wear.

Plus, they are all part of our exclusive 30-day "Trust Our Ride" test drive program and carry a 72-month limited warranty.**

HERCULESTIRE.COM/TRACTION
[#HERCULESTIRES](https://twitter.com/HERCULESTIRES)

**Road hazard warranty valid for two (2) years or when the tire reaches 50% of useable tread depth, whichever comes first, and for on-road use only. Valid in the U.S. and Canada only. See the Hercules Limited Warranty for complete details and exclusions.

TOUGH RUNS IN THE FAMILY

At Hercules® Tires, dirt is in our DNA. After all, our hardworking light truck tires have long been delivering the torque and traction drivers need to tackle the toughest of trails. Now, we've expanded our portfolio even further through our new *Terra Trac Traction Series*, giving you three equally tough yet distinctly designed tires built from the ground up to really dig dirt, sling mud and pound pavement.

A TRIO OF TRACTION

The Terra Trac Traction Series introduces two new premium tires, the Terra Trac M/T and Terra Trac T/G Max, to go alongside our popular Terra Trac AT II, allowing you to choose the right tire for the right job. While these tires may share the same tough and tested bloodline, each is specially engineered to deliver outstanding performance in specific applications, providing the precise performance and traction you need to meet your unique driving demands...whether on the job, on the trails or on the road.

TERRA TRAC AT II

This premium, all-terrain tire is a versatile performer, delivering a quieter ride and the stability and control you can depend on, both on and off the road. And the Terra Trac AT II delivers peace of mind, too, backed by a 60,000 mi/100,000 km mileage warranty on all sizes, making it the practical choice for everyday driving all year 'round.

TERRA TRAC T/G MAX

This commercial traction tire is purpose-built to stand up to the most punishing worksite environments, while providing all-road capability for every season. The durable Terra Trac T/G Max is designed with durability in mind, resisting cuts, chips, abrasions and stone drilling, while its deep tread maximizes torque, so you can push your worksite vehicle to its full potential.

TERRA TRAC M/T

With its distinct, Hi/Lo tread design and 80% more sipes*, the Terra Trac M/T delivers extreme terrain traction when off road, and better handling and a quieter ride on the road. Plus, it boasts an aggressive, head-turning camouflage sidewall design. This modern mud tire is perfect for the weekend warrior in us all, just waiting to dig in when the week—and the road—ends.

*Compared to the Hercules Trail Digger M/T
