What do you need to do to take advantage of this special?
 Simply meet your year-to-date unit commitments and we will do the rest!
No enrollment or paperwork is necessary.

Terms and Conditions: Promotion valid on the AG-TRAC RT45 only per the 2023 Hercules Flex Program. Must achieve YTD program goal at the end of Quarter 1 specific to dealers' assigned program level to earn payout. Mixing Warehouse and Factory Direct orders are not eligible for promotion. Not to be combined with any other discounts or promotions. Dealers enrolled on HFP during promotional time period will earn extra QVB dollars from enrollment start date. Dealers signed on HFP after promotional time period will not earn promotional payout. Credits to be issues via statement credit in April 2023. Any return of promotional product where customer earned credits between March 1st - March 31st will have the credits earned charged back to their account.
